Expertise in Determining your Organization's Value

Our team brings a depth of expertise and understanding to each engagement. With our low turnover, clients benefit from the continuity of receiving services from the same team every year. The resulting familiarity with our clients' businesses allows them to deliver efficient and cost-effective service while being able to provide detailed insights, identify opportunities to improve business operations and offer solutions to maximize profitability and efficiency.

Our professional standards and compliance with the rules of our profession have been assured by those responsible for regulating our industry. As a member of the American Institute of Certified Public Accountants, Wilkin & Guttenplan undergoes peer review every three years. Our most recent review resulted in an unmodified report with no letter of comments.
