

# ONE OF THE BEST PLACES TO WORK

**AT WILKIN & GUTTENPLAN**, we define our culture in terms of trust, quality and entrepreneurial spirit. As a result, our firm is one that encourages personal growth, open communication and a balanced lifestyle. We think that these are just some of the reasons that Wilkin & Guttenplan is a special place to work.

Wilkin & Guttenplan has participated in the *NJBiz* Best Places to Work survey every year. The personnel survey bases its results on job satisfaction. Every year, we have ranked as the #1 medium-sized accounting firm, in addition to being one of the top five medium-sized employers. *In 2007, we were selected as*

*New Jersey's top medium-sized employer.*

In addition, in 2008 Wilkin & Guttenplan participated in *Accounting Today's* inaugural Best Accounting Firms to Work for survey. *We were selected as one of the 40 best medium-sized accounting firms to work for in the United States.*

*"We set out to create an environment where people were happy to work and felt that management was responsive to their personal and professional goals.*

*Our staff is our No. 1 priority, and to have them name us one of the best places to work in New Jersey is an honor."*
