HEALTHCARE PROFESSIONALS AND PRACTICES

WilkinGuttenplan provides healthcare professionals with accounting, tax and consulting services that are required to keep medical and dental practices on course. We help our clients take full advantage of the options offered by being in private practice.

OUR SERVICES INCLUDE:

- ✓ Individual, corporate and partnership tax strategies, planning and compliance
- ✓ Tax-favored business and transaction structuring
- ✓ Cash management and budget analysis
- ✓ Real estate related matters

We also offer a number of business consulting services for physicians, dentists and other healthcare professionals including:

- Buy/sell agreements
- Consulting related to mergers, acquisitions and valuations of practices
- Financial and operational assessments
- Internal controls review
- Physician compensation planning and analysis
- Retirement plan audits
- Review of fee schedules and coding and billing process review
- Review of new ventures or business initiatives
- Succession and estate planning
