Chris Frederick, a Principal at WilkinGuttenplan, has been with the firm since 2012. Chris divides his time between working with clients in the pharmaceutical and life science industries, professional services industries, international corporations, and closely held businesses.

Chris is the Co-Practice Leader of our Pharmaceutical and Life Sciences practice group. He has experience working with companies in various stages, from development through commercial distribution, with gross to net accounting expertise.

Chris has experience providing both attest and consulting/CFO services for pharmaceutical companies, including assisting with the initial setup of newly formed entities.

Chris provides international corporations, the professional services industry, and closely held businesses with audit, review, compilation, tax planning/compliance, and other miscellaneous consulting services, including overseeing the firm's clients in our Client Accounting and Advisory Services group. As part of Chris's involvement in the firm's professional services industry, he had a niche for law firm compliance and consulting requirements, ranging in size from a few partners to large multi-office law practices.

Chris also contributes to the development of our associates, participates in the firm's intern and staff training and orientation programs, and is well-versed in accounting software packages for small and medium-sized businesses. Prior to joining WilkinGuttenplan, he worked as a senior accountant for a firm in Wormleysburg, Pennsylvania, providing accounting, auditing, and tax services to a diverse client base.
