PRACTICE AREAS

- International Commerce Group
- Tax Services
- Closely-Held Business and Owners
- Technology and Software
- Life Sciences and Pharma

Darko Naumoski, a Principal at WilkinGuttenplan, joined the firm in 2017, specializes in international taxation and planning strategies. Darko's tax practice is consumed by international tax matters including U.S. tax aspects of international business such as foreign businesses doing work in the U.S. and U.S. businesses doing work abroad. Darko assists mid-market multinational clients create and implement tax structures to minimize worldwide tax which are operationally practical. For foreign based businesses, Darko and his team are often the first point of contact to steer clients through the different hurdles of doing business in the US giving these clients peace of mind that their businesses are tax compliant in the US.

Darko also contributes to the training and development of our entry-level and advanced staff as it relates to international taxation concepts, practice, and procedures.

Prior to working at WilkinGuttenplan, Darko worked for a regional accounting firm providing international tax services.
